What Fathom is good for
- Visual financial reports
- KPI tracking
- Consolidation
- Mgmt Reports

Key features
- Financial analysis
- Mgmt Reporting
- Cash Flow Forecasting
- Consolidating reporting

Quickbooks Desktop Executive: Need to manually upload to Desktop ~~communi~~ connector app.

Can Fathom calculate custom metrics?
It can create custom KPI's like:
- Cost per square foot
- Gross profit per unit
- % of income
- Any custom formula you want

} Will be in raw format

Catch: You have to manually upload the sq ft or unit count as non-financial data for each property

Cannot just extract it w/ Quickbooks Desktop Executive

What Fathom Dashboards do

Builds custom, interactive dashboards to visually track and present:

- Fin. KPIs (rev, COGS, GP, NI)
- Custom metrics (cost per sq ft, % income, Rev per unit)
- Non Financial KPI's (Sq Ftge, Headcount, # of proj)
- Trends over time (monthly, qrt, yrly)
- Comparisons across entities (real-estate / multi prop firms)
