Option 2: QQube + Excel

How it saves time

- Automatically syncs QBD data to a clean Excel-Ready format.
- No need to export files
- Dashboards formulas never break

Setup time: 1-2 hours

Ongoing work: 1-2 minutes

Cost: ~$500 one-time + $100/yr

- Best if you want 0 exports or cleaning
- Easier if you don't want to build queries or formulas often
- Made for accountants & custom financial metrics.
